**MANSFIELD DOWNTOWN PARTNERSHIP, Inc.
FACT SHEET**

The Partnership

The Mansfield Downtown Partnership, Inc. is an independent, non-profit organization with a mission to foster the development and management of Storrs Center – a vibrant and economically successful mixed-use downtown at the heart of our community. As a public-private partnership, the organization is composed of representatives from the community, business, town, and the University of Connecticut. The Partnership is governed by a 19-member Board of Directors with a strong committee structure. The Partnership's six committees, Advertising and Promotion, Business Development and Retention, Finance and Administration, Membership Development, Planning and Design, and Nominating are one of the direct ways the public can participate in our new downtown in Mansfield.

Mansfield Downtown Partnership, Inc. Action Agenda

The Mansfield Town Council retained the national planning firm of HyettPalma in 1999 to develop an enhancement strategy for the revitalization of downtown Mansfield's commercial areas. Following a collaborative community-consultation process, HyettPalma produced the Mansfield Downtown Partnership Action Agenda with a focus on Storrs Center.

Key recommendations from the Downtown Partnership Action Agenda were:

- Develop a community green space
- Business retention and attraction
- Marketing and promotion
- Improve traffic flow and parking
- Real estate development and improvements
- Public improvements, i.e., streetscape, signage

Project History

Concept Master Plan - One of the Partnership's first tasks was to commission the development of a concept Master Plan for Storrs Center. Working with the Partnership, Connecticut firm Milone & MacBroom completed the concept Master Plan in the summer of 2002.

The concept Master Plan included three main elements: commercial development (retail/restaurant/office), a town square(s), and market-rate housing.

~over~

Municipal Development Plan (MDP) - In 2002, the Town of Mansfield authorized the Partnership to serve as its municipal development agency to undertake the development of the Storrs Center area on behalf of the Town. A municipal development plan was prepared which included a market study, an environmental report, proposed land uses, a financing plan, etc. The MDP was completed in 2005 and approved unanimously by the following local, regional, and state entities - Windham Region Council of Governments Regional Planning Commission, Mansfield Planning and Zoning Commission, Partnership Board of Directors, Mansfield Town Council and the UConn Board of Trustees. The MDP was approved by the Connecticut Department of Economic and Community Development on January 27, 2006.

Identification of Master Developer - In June 2004, the Partnership identified the firm of LeylandAlliance LLC from Tuxedo, NY, to serve as its master developer for the project.

In September 2010, LeylandAlliance partnered with Education Realty Trust (EdR) from Memphis, TN, to develop the housing for the first two phases of Storrs Center.

Zoning, Design, Permits, and Construction - In June 2007, the Mansfield Planning and Zoning Commission approved a Special Design District for Storrs Center.

A set of comprehensive sustainability guidelines for Storrs Center designed to create an energy efficient project was approved by the Partnership Board in August 2008.

Storrs Center now includes 618 apartments; 34 restaurants, shops, and services; and a beautiful Town Square. A list of businesses in Storrs Center is available at www.storrscenter.com. The final buildout of Storrs Center is scheduled to be complete at the end of 2016.

Leasing – If you are interested in leasing commercial space in future phases in Storrs Center contact Dan Zelson with Charter Realty at 203.227.2922. If you are interested in leasing commercial space in completed buildings, contact Sarah Wilson with The Wilder Companies at 617.896.4972.

For inquiries about residential leasing, contact EdR at 860.756.0330. EdR's leasing office is located at 9 Dog Lane.

For inquiries about for-sale housing, contact LeylandAlliance at info@storrscenter.com or 845.351.2900, x400.

Financing - The total project cost is approximately \$220 million. Over \$25 million in state and federal grants are in place for Storrs Center.

Events and Projects – The 12th Annual Celebrate Mansfield Festival was held on September 20, 2015. The Festival included music headlined by Brooklyn based Pearl and the Beard, a community parade, food, and many activities for all ages. Other events include live music in the summer months, and Winter Welcome the first Saturday in December.
